

Why Choose Winkipop Media

Established in 2002, Winkipop Media has been successfully servicing sporting clubs and events all over Australia.

We offer quality products, timely delivery and an excellent service from our entire team - from the photographers, photo editors and office administration.

We have now proudly set up our **head office in Geelong** and look forward to providing our professional team photography service to sports clubs in **Geelong, the Bellarine & Surfcoast shires & Ballarat.**

What do we offer?

- We provide a professional photographer and an assistant when required to take a team photo and individual portrait of each team member.
- A professional service that makes working with large groups efficient and fun for all involved.
- Clear instructions to club officials to enable the photo session to run smoothly
- A variety of print packages that offer choice and good value to your families
- A team photo that incorporates, your team colours, club emblem, sponsor logos and player names
- Maximum 4 week turnaround for the delivery of your team photos.
- The option to conduct the photo shoot indoors. All lighting and backdrops are provided, making this a fantastic service for your club in the event of wet weather. We encourage the photo sessions to be done midweek at training, and our backdrops and portable lighting systems allow for these to be done indoors or outdoors in the afternoon /evening. We are one of a very few photographers offering this option.

What are the benefits for your club?

- Fantastic fund raising opportunity, for your club. Your club receives a commission of 10% of sales paid back on delivery of your photos.
- Your club will get a complimentary photo of every team for the club, presented as either individual prints, on a montage poster or in a yearbook photo album.

The Scheduling of your photo day is as easy as...

1. Secure Your Booking

By calling **1300 843 664** or **0403 339 347** or emailing **request@winkipopmedia.com.au** and speaking with our friendly office staff. Initially, this can be done without a fixed date.

2. We Despatch Your Booking Packs

Which will contain all the information about the photo day logistics required for the club, managers and parents. The manager then distributes the supplied payment slips to the players, which will be filled out and returned to our photographer or assistant on the photo day.

3. On Your Photo Day

An experienced Winkipop photographer and assistant (if required) will work together with a representative from your club on the day. Our photographer will work to the schedule recommended by your club. For club and parents convenience, payments are made on the day with children returning their order form & payment envelope.

4. Photo Delivery Time

Provided that all the information supplied by the club is complete and correct, your completed packs will be delivered within 4 weeks of the club's final photo day.
